

Back & Body Health Clinic Procedures for Patients

As we begin to re-open and be in compliance with AHS, the Alberta College and Association of Chiropractors, and Massage Therapy Associations we need your help. Please review the new procedures we have in place to keep you- our patients safe, as well as our clinic team and the community. We are sincerely grateful for your compliance, patience and understanding as we all navigate this new normal.

Prior to booking an appointment:

Complete the a screening assessment over the phone with one of our administrative team members, available online at <https://myhealth.alberta.ca/Journey/COVID-19/Pages/COVID-Self-Assessment.aspx>

Please advise if anyone will be accompanying you the patient; ie. parent, companion for mobility assistance, etc to the appointment. Family members/companions are only to attend if absolutely necessary, and may be asked to wait in their vehicle/outside. The same screening procedures apply to them.

Upon the day of your appointment:

Retake the AHS self-screening tool online <https://myhealth.alberta.ca/Journey/COVID-19/Pages/COVID-Self-Assessment.aspx>

Please wear a mask if you have one. While it is not mandatory it is **highly recommended** by AHS and our associations.
